

Facilities Assistant

This is a grant funded position made possible through the generous support of the Government of Canada through the Department of Employment and Social Development's Canada Summer Jobs program.

Eligibility

A person is eligible for this position provided they:

- Are between 15 and 30 years of age at the start of employment
- Are a Canadian citizen, permanent resident, or person to whom refugee protection has been conferred under the Immigration and Refugee Protection Act for the duration of the employment
- Have a valid Social Insurance Number at the start of employment and be legally entitled to work in Canada in accordance with relevant provincial or territorial legislation and regulations

Application Closing Date

April 24th, 2023

Term of Employment

June 25th, 2023, to August 27th, 2023

Compensation

\$15.00 hourly plus 4% vacation pay based on thirty-five (35) hours per week

Work Location

FORCE Visitor Centre, 1156 West Bay Road, Black Rock (10 km from Main Street, Parrsboro) in Cumberland County, NS.

Position Overview

Under the supervision of the Facilities Manager, the Facilities Assistant will work out of the FORCE Visitor Centre greeting guests and engaging with the public about tidal energy, the marine habitat, and environmental research. Additionally the position will assist with lawn, yard & building maintenance, and general day to day operations including cleaning and assistance with ongoing research.

Specific activities of the Facilities Assistant include:

- Assisting in shoreline monitoring and beach clean-up activities as well as support environmental monitoring study activities
- Providing interpretive services and relaying information to the public about tidal energy demonstration, site features and environmental program monitoring activities
- Participating in the delivery of educational programs and visitor services including conducting tours to groups of various sizes and responding to visitor inquiries
- Promoting community partners and attractions in the surrounding area

- Assisting with general day to day operations including cleaning and upkeep of the Visitor Centre and grounds maintenance
- Following Health and Safety policies
- Other duties as required

Position Requirements

- Self-motivated team player with ability to take initiative and work with minimal supervision
- Strong written and verbal communication skills
- Ability to operate lawn mower, trimmer, and other power tools in a safe and reliable manner
- Able to use and/or willingness to learn Microsoft Office including Excel, Word, Teams
- Available and willing to work weekends and holidays
- Reliable transportation to and from work
- Participation in training specific to the position including First Aid and WHMIS if necessary (training expenses paid by employer)

Applications

We value diversity and inclusion at FORCE. We actively encourage applications from members of communities with historical and/or current barriers to equity, including, but not limited to: Mi'kmaq and other Indigenous peoples; African Nova Scotians and members of communities that commonly experience discrimination due to race, ancestry, colour, or place of origin; persons with visible and/or invisible (physical and/or mental) disabilities; persons who identify as women; and persons of marginalized sexual orientations, gender identities, and gender expressions. If you are a member of an equity group, you are encouraged to self-identify, on your application form, cover letter, or on your resume.

Applications including resume and cover letter with the subject heading "Facilities Assistant-Parrsboro" should be emailed in PDF format to jobs@fundyforce.ca **on or before April 24th, 2023**. FORCE appreciates submissions from all qualified individuals, however only those applicants selected for interviews will be contacted.

About FORCE

FORCE is Canada's lead research facility for tidal stream technology, created to better understand how this technology can play a role in Canada's clean energy future and help respond to climate change impacts. FORCE provides offshore and onshore electrical infrastructure to connect devices to the power grid and conducts environmental monitoring and research to understand any potential environmental effects.

FORCE is a private, not-for-profit company operated by a staff, governed by a board of directors, and guided by input from an independent Environmental Monitoring Advisory Committee and a Community Liaison Committee. FORCE has received support from the Government of Canada, the Province of Nova Scotia, the Offshore Energy Research Association, and participating developers.
